A COPARENTSPACE PRINTABLE

The Shared Expenses Log

Log it when it happens, settle once a month, keep the receipts in one place. Money stays a list, not a conversation.

MONTH _____ YEAR _____ CURRENCY _____

DATE	WHAT IT WAS FOR	WHO PAID	AMOUNT	SHARE	SETTLED

Month end

TOTAL PAID BY _____ AMOUNT _____

TOTAL PAID BY _____ AMOUNT _____

BALANCE TO SETTLE _____ SETTLED ON _____

Keep it boring. Agree the share once (half and half, or in proportion to income), write it at the top of the year, and let the log do the talking. A settled column beats a remembered conversation every time.
